RE: Fischer's Bee Quick

Dear Mr. Fischer,

Fischer's Bee Quick has been reviewed and found in compliance with Apiary production standards under the guidelines set by the National Organic Standards Board. Fischer's Bee Quick contains no synthetic materials or prohibited substances and is allowed by the Hawaii Organic Farmers Association in certified organic apiary production.

Sincerely,

Kelly Lange
Certification Coordinator

HOFA MISSION STATEMENT

Our mission is to protect the life of the land and the health of our communities through education about organic land care practices. We believe that developing and strengthening certified organic farms would enhance Hawaii's many fragile ecosystems and be a base for a local sustainable economy.
